

# Small Town on the Prairie

By Grade 7/8 Bengough School Students and Carrie Catherine

## Verse one

Waking up to the sound of the combine  
Birds are singing, frost on the ground  
I hop in the dodge and I look out the window  
There's deer in the field as I head into town

## Chorus

Small town in the prairie, People here are friendly  
Small town in the prairie  
I love my home town  
I love my home town

## Verse two

Stopped at nic-nacs to get a coffee  
Charlene at the Co-op waves right at me  
Dancing will start soon, I can't wait for hockey  
Bengough is blooming and happiness hits me

## Chorus

Small town in the prairie, People here are friendly  
Small town in the prairie  
I love my home town  
I love my home town

## Bridge

Boys: I love my home  
Girls: I love my home  
Boys: on the prairie  
Girls: on the prairie  
Boys: No robbers  
Girls: No rapists  
Boys: No danger  
All: Feeling the love all around

## Chorus

Small town in the prairie, People here are friendly  
Small town in the prairie  
I love my home town  
Oh I love my home town
