

The Legend

By Grade 4 and 5 Cupar School Students and Carrie Catherine

Verse one

It's October 31st
It's Halloween night
Cupar's getting scarier by the minute
The kids get a fright

Chorus

Kids with scary costumes
Crunching through the snow
Something is following me
Wherever I go

Verse two

Getting dark
The sky is black
Spooky sounds
Hissing black cat

Chorus

Kids with scary costumes
Crunching through the snow
Something is following me
Wherever I go

Verse three

Could it be a zombie?
Could it be a ghost?
Maybe it's a vampire
Who hides behind a post

Is it gonna get me
Or follow me inside
When I reach my house
If it gets me then I'll die!

Chorus

Kids with scary costumes
Crunching through the snow
Something is following me
Wherever I go

Outro

Is it gonna get me?
Is it gonna get me? (repeated)
