

# The Haunted House

By Grade 3-4 Dorintosh School Students and Carrie Catherine

## Verse one

I tiptoed to the graveyard  
Then it suddenly appeared  
A big, old, scary, creaky  
haunted house

I opened the door  
And a spider leaped out  
In the big, old, scary, creaky  
haunted house

## Chorus

People told me  
Don't go in the house  
But I had to check it out  
For myself

## Verse two

I went in the house  
Here's what I found  
Ghosts, goblins and vampires  
creeping around

Scary shadows  
Wait! That's just me!  
Scaring myself  
making the floors creek

## Chorus

People told me  
Don't go in the house  
But I had to check it out  
For myself

## Instrumental with scary sounds

## Verse three

I went up the stairs  
Sat down on the chair,  
Felt a hand on my leg  
and I was scared

I heard a sound  
I wonder who  
Then a ghost jumped out and said,  
BOO!

## Chorus

People told me  
Now I'm telling you  
Stay out of that house  
BOO!
