

Bug the Teachers

By Grade 5-8 Dorintosh School Students and Carrie Catherine

Verse one

It's the start of a new day
Time to drive the teachers insane
First I'm late, then I have to read
But I'm too tired and I fall asleep

Chorus

Bug, bug, bug the teachers
Bug them all day long
I'm not bad but
Bugging the teachers is fun

Verse two

Teachers say don't touch that
Can't you see you're being a brat
Whispering, laughing, annoying, tapping
Whistling, stamping, humming, snapping

Chorus

Bug, bug, bug the teachers
Bug them all day long
I'm not bad but
Bugging the teachers is fun

Bridge

No more homework, no more books
No more teacher's dirty looks
It's impossible to get straight As
What do you do to get some praise?

Chorus

Bug, bug, bug the teachers
Bug them all day long
I'm not bad but
Bugging the teachers is fun (x4)
