

The Animals in My Town

By Grade 1 Edam School Students and Carrie Catherine

Verse one

I'm a kitty cat
I have soft fur
Sometimes I scratch
Sometimes I purr

Chorus

These are the animals in my town
These are the animals in my town

Verse two

I'm a big old horse
I've got hooves for feet
I've got a long tail
I stand when I sleep

Chorus

These are the animals in my town
These are the animals in my town

Verse three

I'm a dragon
I breath fire
But don't worry
I don't live here

Chorus

These are the animals in my town
These are the animals in my town
