

Edam's Hockey Theme Song

By Grade 3-4 Edam School Students and Carrie Catherine

Verse one

The hockey players come out dressed
They skate around the ice
They're warming up before the game
They're rough and touch and nice

Chorus

Edam is a hockey town
Edam is a hockey town
Edam is a hockey town
We want the cup

Verse two

First there is a face off
Edam takes the puck
Zooming down the ice
We need more than luck

Chorus

Edam is a hockey town
Edam is a hockey town
Edam is a hockey town
We want the cup

Verse three

Now it's the third period
Time is running out
We need a goal to win the cup
The Crowd begins to shout

The puck is passed to Donny Cole
We need one goal more
Donny gets a breakaway
He shoots, and we score!

Chorus

Edam is a hockey town
Edam is a hockey town
Edam is a hockey town
We won the cup!!
