By Grade 5 to 9 Lipton School Students and Carrie Catherine

Verse one

Outside on the swings
It's cold there's lots of snow
I'm sharing secrets with my friends
The bell rings and we have to go

Chorus

My friends and I laugh all day
My friends fulfill my needs
My friends help get me through
My friends are always true

Verse two

It's a scary Halloween
Hanging out with my friends at night
We laugh so hard, we start to scream
With my friends here I have no fear

Chorus

My friends and I laugh all day
My friends fulfill my needs
My friends help get me through
My friends are always true

Bridge

Laughing out loud so hard that I cry
Making memories my friends and I
I fill a box up full of memories
Full of photos of my friends and me

Chorus

My friends and I laugh all day
My friends fulfill my needs
My friends help get me through
My friends are always true (x3)
