

# Every Season's Special Thing

By Grade 5 and 6 Souris School Students and Carrie Catherine

## Verse one

School's starting, Leaves are falling  
Turkey's running, Halloween's coming  
Poppies are rising  
We all jump in the leaves

## Chorus

Summer, winter, fall and spring  
Every season's special thing  
Summer, winter, fall and spring  
We love 'em all, We love 'em all

## Verse two

Snowflakes don't make a sound  
Building snow forts on the ground  
Cold days that you stay inside  
Drunk hot cocoa and warm your hide  
What do I do? I don't know  
Just don't eat no yellow snow

## Chorus

Summer, winter, fall and spring  
Every season's special thing  
Summer, winter, fall and spring  
We love 'em all, We love 'em all

## Verse three/bridge

Robins sing while spring is springing  
Rain is falling while I'm singing  
Butterflies are flying, Butterflies are flying

## Chorus

Summer, winter, fall and spring  
Every season's special thing  
Summer, winter, fall and spring  
We love 'em all, We love 'em all

## Verse four

Camping, fishing, biking, swimming  
Hiking up the mountain singing  
Our song, our song  
But summer is the bomb  
Camping all day long  
Eating pizza, writing songs  
Our song, our song

## Chorus

Summer, winter, fall and spring  
Every season's special thing  
Summer, winter, fall and spring  
We love 'em all, We love 'em all
